

Borland Elementary School

School – Family Compact

Dear Parents,

Borland Elementary continues to update and improve our curriculum and instruction. In order for your child to have the best possible educational opportunities, it is important that we have a strong partnership among staff members, parents, and students.

To that end, we have created a Family Engagement Compact outlining responsibilities and expectations within our partnership. This document was jointly created by the Imlay City District Staff and parents.

If you have questions regarding any of our instructional programs or our curriculum, please do not hesitate to contact me at (810) 724-9813, or your child's teacher at any time.
