

Weston Elementary School Title 1 School-Family Engagement Compact

Dear Parents,

Weston Elementary continues to update and improve our K-2 curriculum. In order for your child to have the best possible educational opportunities, it is important that we have a strong partnership among staff members, parents, and students. Below you will find our School-Family Engagement Compact outlining responsibilities within the partnership. This document was jointly created by the Inlay City District staff and parents. If you have questions regarding the Title 1 program; please contact me at (810) 724-9812. If you have any questions about your child's progress, please contact your child's teacher.
