November 10, 2020

Dear Parents,

This evening, we were notified by the Lapeer County Health Department that a Weston Elementary student has tested positive for COVID-19. While this individual has not been present since November 4, the district has been advised to quarantine the classroom, effective immediately, beginning on Wednesday, November 11 through Tuesday, November 17.

The school district, in partnership with the Lapeer County Health Department, has conducted contact tracing to identify any students or staff members who have been in close contact with this individual. Those individuals have been contacted directly and will be required to quarantine per our health and safety guidelines. **If your child was considered a close contact, you would have already been notified by the district or by the Lapeer County Health Department.**

ICS will continue to cooperate with the Lapeer County Health Department to assist in contact tracing and notification if there are any additional positive or probable school-associated cases. Additionally, our strict enforcement of health and safety guidelines will remain in place in order to limit transmission of COVID-19.

As always, to prevent the spread of COVID-19, individuals should:

- Stay home if sick
- Wash hands frequently
- Disinfect commonly touched surfaces
- Avoid touching face; avoid shaking hands
- Wear masks, as prescribed and follow suggested guidelines for social distancing

The building offices, as well as individual teachers, will reach out to quarantined students regarding work opportunities during the quarantine period.

If you have specific questions or concerns that we can address, please do not hesitate to call or email.

Sincerely,

Stu Cameron
Superintendent of Schools

Imlay City High School has been selected as one of America's Best High Schools in the United States and awarded a Bronze medal by *U.S. News & World Report*, the nation's leading source of news analysis and service journalism. Imlay City High School is a three-time recipient of the award, having been named one of America's Best in 2007, 2013, and again in 2018.

10 de noviembre de 2020

Queridos padres,

Esta noche, el Departamento de Salud del Condado de Lapeer nos notificó que un estudiante de la Primaria Weston dio positivo por COVID-19. Si bien esta persona no ha estado presente desde el 4 de noviembre, se le ha recomendado al distrito que ponga en cuarentena el aula, con vigencia inmediata, a partir del miércoles 11 de noviembre hasta el martes 17 de noviembre.

El distrito escolar, en asociación con el Departamento de Salud del Condado de Lapeer, ha realizado un rastreo de contactos para identificar a cualquier estudiante o miembro del personal que haya estado en contacto cercano con esta persona. Estas personas han sido contactadas directamente y deberán ponerse en cuarentena según nuestras pautas de salud y seguridad. Si se consideraba que su hijo era un contacto cercano, el distrito o el Departamento de Salud del Condado de Lapeer ya lo habría notificado.

ICS continuará cooperando con el Departamento de Salud del Condado de Lapeer para ayudar en la localización de contactos y la notificación si hay otros casos positivos o probables asociados con la escuela. Además, nuestro estricto cumplimiento de las pautas de salud y seguridad se mantendrá en vigor para limitar la transmisión de COVID-19.

Como siempre, para prevenir la propagación de COVID-19, las personas deben:

- Quédese en casa si está enfermo
- Lávese las manos con frecuencia
- Desinfecte las superficies que se tocan comúnmente
- Evite tocarse la cara; evitar dar la mano
- Use máscaras, según lo prescrito y siga las pautas sugeridas para el distanciamiento social

Las oficinas del edificio, así como los maestros individuales, se comunicarán con los estudiantes en cuarentena con respecto a las oportunidades de trabajo durante el período de cuarentena.

Si tiene preguntas o inquietudes específicas que podamos abordar, no dude en llamarnos o enviarnos un correo electrónico.

Sinceramente,

Stu Cameron
Superintendente de escuelas
