October 11, 2020

Dear Spartan Families,

This afternoon, we were notified by the Lapeer County Health Department that an individual in one of our kindergarten classrooms has been identified as being a probable COVID-19 case.

While this individual has not been present at school since Friday, October 2, the district has been advised to quarantine the classroom through Friday, October 16.

The district is responsible for identifying all individuals who are considered close contacts according to the Centers of Disease Control guidelines. *If your student was considered a close contact to the affected individual, you would have already been contacted by the district or the Lapeer County Health Department.* At this time, due to the cleaning and preventative safety measures the district has put into place, no other classrooms or individuals in the building are affected. If you've not been contacted, please send your child to school as per his/her regular schedule.

ICS advises that all parents routinely monitor their child's health for any COVID-like symptoms (including fever or chills, cough, sore throat, difficulty breathing, diarrhea, vomiting or abdominal pain, new onset severe headache or new fatigue), and contact your child's healthcare provider with any health concerns.

As always, to prevent the spread of COVID-19, individuals should:

- Stay home if sick
- Wash hands frequently
- Disinfect commonly touched surfaces
- Avoid touching face; avoid shaking hands
- Wear masks, as prescribed and follow suggested guidelines for social distancing

If you have specific questions or concerns that we can address, please do not hesitate to call or email.

Sincerely,

Stu Cameron
Superintendent, Imlay City Schools

Imlay City High School has been selected as one of America's Best High Schools in the United States and awarded a Bronze medal by *U.S. News & World Report*, the nation's leading source of news analysis and service journalism. Imlay City High School is a three-time recipient of the award, having been named one of America's Best in 2007, 2013, and again in 2018.

11 de octubre de 2020

Estimadas familias espartanas,

Esta tarde, el Departamento de Salud del Condado de Lapeer nos notificó que un individuo en una de nuestras aulas de jardín de infantes ha sido identificado como un caso probable de COVID-19.

Si bien esta persona no ha estado presente en la escuela desde el viernes 2 de octubre, se le ha recomendado al distrito que ponga en cuarentena el aula hasta el viernes 16 de octubre.

El distrito es responsable de identificar a todas las personas que se consideran contactos cercanos de acuerdo con las pautas de los Centros de Control de Enfermedades. Si se consideraba que su estudiante era un contacto cercano con la persona afectada, el distrito o el Departamento de Salud del Condado de Lapeer ya se habrían comunicado con usted. En este momento, debido a la limpieza y las medidas de seguridad preventivas que el distrito ha implementado, ningún otro salón de clases o personas en el edificio se ven afectados. Si no ha sido contactado, envíe a su hijo a la escuela según su horario regular.

ICS aconseja que todos los padres controlen de forma rutinaria la salud de su hijo para detectar cualquier síntoma similar al COVID (como fiebre o escalofríos, tos, dolor de garganta, dificultad para respirar, diarrea, vómitos o dolor abdominal, dolor de cabeza severo de nueva aparición o fatiga nueva) y que se comuniquen con su hijo. proveedor de atención médica con cualquier problema de salud.

Como siempre, para prevenir la propagación de COVID-19, las personas deben:

- Quédate en casa si estás enfermo
- Lávese las manos con frecuencia
- Desinfecte las superficies que se tocan comúnmente
- Evite tocarse la cara; evitar dar la mano
- Use máscaras, según lo prescrito y siga las pautas sugeridas para el distanciamiento social

Si tiene preguntas o inquietudes específicas que podamos abordar, no dude en llamarnos o enviarnos un correo electrónico.

Sinceramente,

Stu Cameron

Superintendente, Escuelas de la Ciudad de Imlay
