ATTENDANCE POLICY SETTING YOU UP FOR SUCCESS

Students are expected to be in class on time every day.

The staff and administration recognize that students may need to be excused from school for certain legitimate reasons. Legitimate absences include:

- Medical, including appointments to doctors, clinics or hospitals.
- Funeral or bereavement.
- Court, in compliance with a court summons.
- Ordinary illness.

Notification: Students who remain home due to ordinary illness must contact the school office by phone as early as possible. Students should provide a note, signed by the adult guardian, when returning to school.

Absences: Venture's concentrated schedule is designed to provide maximum credits in a short period of time. Consequently, good attendance is required. Students who miss more than 7 days in any 10-week marking period are at high risk of losing credit in those classes. Below are the list of definitions and requirements for detention.

1. DEFINITION OF EXCUSED AND UNEXCUSED ABSENCE

Excused absences include: medical, court, death in family, or exceptional circumstances. Absences shall be **documented** with doctor's notes, court notices, or other authorized documentation to verify absence.

· **Definition of Attendance Periods:** GRADING PERIOD = 10 weeks terms.

· Students who are absent for three (3) days during a 10 week quarter may be excused with a parent note. Three parent notes per 10 week semester will be accepted. The Dean of Students will make a determination for any exceptions to the attendance policy. All other absences will be counted as unexcused. Four (4) or more unexcused absences will result in consequences to be handed out by the Dean of Students. See possible consequences below. **(Students who are 18 years of age, living on their own, must fill out a form in the office to be able to excuse themselves, this will be approved on an individual basis by the Dean of Students).**

· More than three (3) consecutive excused absences per QUARTER is considered excessive, and a written statement of a licensed practicing physician verifying an illness or an injury must be provided, at that point the absence will be excused.

· After the First (1) unexcused absences within a term, parents/guardians will be notified. Parents, please, keep phone numbers and address current.

· Missing 30 minutes or more of a class constitutes an absence.

2. INCENTIVE FOR GOOD ATTENDANCE

Participation points shall be awarded and applied to each quarter exam. Points are based on classroom attendance (see details below):

- 0 days absent 5 points added to exam
- 1 day absent 4 points added to exam
- 2-3 days absent 3 points added to exam
- 4-6 days absent 2 points added to exam
- 7 or more days absent 0 points added to exam

Ex: A student with a 79/C on his/her term exam and 0 absences would have 5 participation points added to his/her term exam grade making it an 84/B.

*Term exams may not exceed 100 points for grading purposes.

3. COMMUNITY SERVICE FOR EXCESSIVE ABSENCE (Possible Option)

(4) Unexcused absences will be in danger of losing credit for that term. The student may be given the opportunity to complete a community service task to regain "Good Standing" with the Venture High School Staff. The student will need to meet the following requirements:

1. 3 or less discipline referrals in that term.
2. Never received an Out of School Suspension from Venture High School.
3. An approval written recommendation from the subject teacher(s).

This is an opportunity for students to earn back a day if they meet requirements above and still be successful. Students may only make up (5) days' worth of absences in each class.

4. TIME ALLOWED FOR MAKE-UP WORK

· Teachers must provide students at least 2 days to make up work when class is missed. Time can be extended at the teacher's discretion.

· Long term assignment due dates and late penalties will be in accordance with the individual teacher's grading procedures.

5. OUT OF SCHOOL SUSPENSION

· The 1st suspension does not apply toward the 4 unexcused absences affecting the term grade. Any subsequent suspensions will count toward the 4 days.

· Make up work is allowed for credit for 1st suspension only. No make-up work will be accepted for credit for subsequent suspensions, but we strongly urge all students to make up work missed.

6. PROCEDURE FOR STUDENT RETURNING FROM ABSENCE

Upon returning to school, students are to report to the office with a note or other appropriate documentation. Students must turn in a note or other documentation explaining an absence within 48 hours of the student's return to school. Otherwise the absence will be considered as unexcused.

7. TARDY POLICY – Per Grading Period (4 tardies = 1 unexcused absence)

A student is considered tardy to class after the bell rings unless excused by a note from school personnel. No more than (3) parent notes for tardies per grading period will be excused. (See reasons above in number 1.)

- 3 tardies – Refer to administration – 1 hour Administrative Detention (Administration to notify parents)
- 4-6 tardies – Refer to administration – 2 hours Administrative Detention (Administration to notify parents)
- 7-9 tardies – Refer to administration – 4 hours Administrative Detention and a required meeting with parents/guardians with Dean of Students. (Administration to notify parents)
- 10-11 tardies – Refer to Administration – Detention hours Determined by Dean of Students and 1 day of Out of School Suspension. (Administration to notify parents)
- 12 or more tardies – Refer to Administration – Gross insubordination, 3 Days of OSS (Administration to notify parents and required meeting with Dean of Students before allowed to come back to school).

Tardies: Students are expected to arrive in class on time. Students who arrive late for class will be marked tardy. (4) Accumulated tardies are equal to one absence. Students who arrive more than 10 minutes late for class are required to meet with the Dean of Students before gaining permission to enter the class. In some cases, the student may not be allowed to enter the classroom, but must remain in the building until their next scheduled class. Students are required to make up all missing work.

I am aware that to attain my goal of a high school diploma, it is necessary for me to complete all assigned work, with a grade of 60% or better, while maintaining good attendance. I also am aware that my behavior and participation in class is an important factor in my grade.

I am also aware that many students do not, or cannot complete high school in four years, and that my graduation date is determined not by my age, but by my academic accomplishments.

I understand that this contract will remain valid and in force throughout my participation in the Venture High School program.
